## THE BOARD OF ALDERMEN.

### Doings of the Fathers at the Meeting Last Night.

The board of aldermen held a regular meeting last night with Mayor Taylor in the chair. All present except Bogart, Mendenhall and Sergeant. The school committee reported that the work of connecting the Lindsey street graded school with the sewer had been completed and accepted by the committee. C. C. Townsend was allowed to make additions to his residence on South Elm street. Mrs. A. G. Brookmann asked that the city deed to her the small strip of land lying between her property and the right-of-way line of the Southern Railway, the recent cutting down of East Market street having made it impossible for a vehicle to get into her property. The request was granted, and the deed ordered, provided that it be accepted for all damages to Mrs. Brookmann's property, caused by grading the street. W. O. Stratford asked that he be allowed to make some changes and improvements on his storehouse on South David street. Granted. W. O. Stratford presented a petition from citizens and asked that Julian street be extended on the east as far as his residence. Referred to street committee. The city attorney was instructed to prepare an ordinance compelling the placing of fire escapes in buildings. The grade on South Elm street from Lewis street to McCullough, was established. The board adjourned.

### HAD BEEN VACCINATED.

#### Mr. Newberry Only Wanted to Test The Law.

The case of J. H. Newberry, indicted for failure to comply with the compulsory vaccination law, which was postponed from Thursday, came up for trial in the mayor's court yesterday afternoon. Mayor Taylor fined him twenty dollars. It was Mr. Newberry's intention to test the case in a higher court and he gave notice of an appeal. Mayor Taylor fixed the bond at fifty dollars, which Mr. Newberry could not give, and therefore was not able to take the desired appeal. He went back before the mayor and swore that he had been vaccinated on Thursday and Mayor Taylor released him. Alex. Jarrell was tried for an assault on his brother-in-law. Mayor Taylor told Alex. that he should have one more chance and instructed the officers if they found Alex. drunk again to send him to the county roads without trial. And it is probable that Alex. will soon be back on the roads, for he will get drunk. Another man, who wants to test the vaccination law is Will Hoyt. He has been summoned to appear before the mayor this afternoon and has secured an attorney.

## FIVE OHIO EX-SOLDIERS

### Following the Trail of Sherman—Will Visit Greensboro.

Five members of the Second Ohio Volunteers are having a good time. Their regiment was mustered out at Macon, Ga., on the 10th of February and they decided to make the journey back to Springfield, Ohio, across the country in a wagon. They struck the trail of Sherman's army, on its memorable march to the sea thirty-five years ago, and are following it. They were in Fayetteville yesterday. The Observer says: They will visit the famous battle fields of Smith's farm, Bentonville, Raleigh, Durham and Greensboro, desiring especially to see the spot near here where General Johnston's army was surrendered to Sherman. From Greensboro they will take the shortest route home, driving their four-mule team.

## BIG BATTLE THIS MORNING

### Since Daylight McArthur's Division Has Been Engaged.

## FILIPINOS FIGHT DESPERATELY.

### But are Driven From Their Trenches By The Fearless Americans.

### Important Captures.

By Cable to THE TELEGRAM.

Manila, March 25.—A great battle has been raging since daylight between McArthur's division and the insurgents north of the city. The enemy is putting up a strong resistance on our left in hand to hand conflict with the Americans. The movement began promptly at daybreak. Fresh troops just landed joined McArthur's forces, as did also Wheaton's flying brigade. The advance was made by Gen. H. G. Otis' brigade, which occupied the center. Wheaton's brigade was stationed on the left, and Hale's on the right. The Americans charged the trenches in their usual fearless style. Several rebel lines in the trenches were captured. After severe fighting the Filipinos were driven back, but they rallied and attacked our left wing with great fury. At noon the battle is still raging fiercely, the insurgents being slowly but surely driven back. The rebels are in great force, and fresh men are constantly hurried forward to fill their depleted ranks. Our forces also secured possession of the railroad, practically cornering the forces of Aguinaldo's army at Malabon and in the foot hills, twenty miles apart from the main body. The American wounded endured their injuries bravely. One group was brought to the hospital singing "Comrades." Our advances were made at double-quick, and with fierce yells from the troops.

## IMPORTANT POSTS CAPTURED.

Manila, March 25.—McArthur's division has captured Polo, Navaliches, Maraguina, San Francisco and Del Monte, clearing the rebel trenches on the front line north from the river to Calocan. Pennsylvania troops took nine prisoners, among them Great Naked, chief of the Macabebs tribe, and one Japanese. The savage chief and other prisoners were greatly excited and expected to be executed at once. MONTANA REGIMENT AMBUSHED. Manila, March 25.—The Montana regiment near Calinton after marching across the river through the jungle came upon a block house disguised as a leper hospital. The Americans were fired upon and four of their number were killed and seventeen wounded. The entrenchments nearest Malabon suffered the most severe attacks, including a cross fire from insurgents massed at Malabon.

## NEWS FROM OTIS.

Washington, March 25.—Otis cables that the city of Manila is quiet and business progressing with no indication of excitement. The fighting is far beyond the city limits and out of hearing distance. The old battle line surrounding the city is maintained, as the city cannot be safely uncovered.

## THE LATEST.

Manila, March 25.—General McArthur expresses entire satisfaction with the progress made by his gallant men in the fiercest battle yet fought in the Philippines. The loss on our side is greater than has occurred in any battle since the beginning of the Spanish war, with the exception of the battle of Santiago. It is impossible yet to estimate our loss accurately, but it will aggregate over three hundred killed and wounded. The fighting was largely in the jungles, consequently many fell not yet accounted for.

## "BOBOLINK THE TOM BOY."

### Presented By The Eunice Goodrich Company Last Night.

The Eunice Goodrich Company presented "Bobolink the Tom Boy" to only a fair sized audience last night. The show was a sensational drama in four acts and all the parts were exceedingly well taken. Besides Miss Goodrich, Mr. Chas. A. McGrath made a hit, as did also Mr. Thaddeus Gray, though the last named acted the villain. Little Theodora also played her part well. Mr. Lew J. Welch's specialties were fine. He is one of the best comedians ever seen here and has no trouble in keeping the audience in an uproar when his time comes. Miss Goodrich appeared in the serpentine dance.

## INTERNATIONAL EXHIBITIONS.

### Two of Them To Be Held at St. Petersburg in May.

## POSTMASTER AT ROCKY MOUNT

### Has Defaulted to the Extent of About Three Thousand Dollars—Has Abandoned the Office.

Special to THE TELEGRAM.

Washington, March 25.—The secretary of agriculture has received notification from the Russian minister at Washington, though the department of state, that two international exhibitions will be held at St. Petersburg in May. The first will be for exhibits of poultry, and appliances for raising poultry, especially incubators. It will take place from May 15th to 22nd, instead of May 15th to 28th as originally proposed. The United States is invited to take part officially by the appointment of delegates and judges to represent the interests of exhibitors or of commissioners to take charge of the organization of the American section.

During the exhibition a meeting of persons interested in poultry will be held at which Mr. Veshniskoff, the secretary of state, will preside. Regulations for the exhibit of fowls and the competition for incubators can be obtained by application to the Russian minister.

The other proposed international exposition in an exhibition of fruits, flowers, etc., under the auspices of the Russian Imperial Horticultural Society to be held from May 17th to May 27th. The Russian minister says in his letter that while no lower rate is made for transportation of exhibits from the Russian frontier to St. Petersburg, they will be admitted duty free on condition of being re-exported by way of the frontier station by which they entered, and their return to the frontier will be free of cost for transportation. The custom house inspection of the exhibits will take place in the exposition building. Special cars heated and provided with water will be furnished for carrying exhibits from the frontier to St. Petersburg. It is asked that reduced rates be obtained for transportation of exhibits in this country.

Further details of these two international exhibitions will be cheerfully furnished upon application to the Russian minister at Washington.

It is reported here by North Carolina people that the postmaster at Rocky Mount, North Carolina, has defaulted to the extent of about three thousand dollars, and has abandoned the office.

At the postoffice department little information can be obtained, but it is probable that an inspection will be sent to the office. The postmaster at Rocky Mount is a negro, and was appointed despite the protests of the white residents of the town. The nomination when it was sent to the senate was violently opposed by Senator Butler, and owing to the senator's efforts a rejection of the nomination as secured. After the adjournment of congress, notwithstanding this fact, and other facts laid before the president by Senator Butler, the postmaster was given a recess appointment by the president.

Secretary Long received a distinguished delegation of North Carolinians yesterday, composed of Assistant Attorney General Boyd, the president of the University of North Carolina, and Judge Advocate General Lemly, who invited him to deliver the annual address, May 31st, at the North Carolina University at Chapel Hill. The secretary gracefully acknowledged the invitation, and assured the delegation of his appreciation, but was compelled to decline owing to a previous engagement for that date.

People from Leesburg, Virginia, are much stirred up over the local election in that town. The chief issue is "wet" or "dry." People from the town say the vote for and against prohibition will be very close. If it goes favorable to anti-prohibition, it is said that only two liquor licenses will be granted for the entire city.

Richard M. Norment has been commissioned postmaster at Lumberton, North Carolina.

Postmasters have also been commissioned in North Carolina: Samuel M. Alexander, Palmyra; Thomas B. Edmonston, Retreat and William W. Blane, Surf.

P. H. Hanes, of Winston, is among the North Carolina people in Washington.

Geo. L. Martin, of Wilmington, N. C., is at the Raleigh.

## MR. BRANSON DEAD.

### Remains Reach Here At 5 o'clock this Evening By Special Train.

Mr. W. H. Branson, the sad news of whose fatal burning was read in yesterday's paper, died at 5:15 o'clock yesterday afternoon. He received his fatal burns while working in a pump house at the plant of The Durham Cotton Manufacturing Company, of which he was secretary and treasurer.

Mr. J. C. Mathes, superintendent of the mill, was also badly burned, though hopes are entertained for his recovery. He will, however, lose his eyesight.

The funeral of Mr. Branson was preached in Durham this afternoon and the remains will be brought here by special train this evening. The interment will take place in Greene Hill Cemetery immediately after the arrival of the train.

A number of the deceased man's relatives went to Durham last night and this morning to attend the funeral. They will return with the remains.

Our Foot-Form shoes will cure all kinds of tender feet, and they are not expensive either. Greatest shoes on earth. Carolina Shoe Co.

## Rev. D. W. LeLachur to Come.

The people of Greensboro and vicinity will have the opportunity of hearing an interesting man. Rev. D. W. LeLachur ranks with Cary and Livingston as a pioneer missionary. He will relate the story of the entering of the gospel to Tibet. He is the only man of the century to enter that long closed country. Being a man of unusual interest and work, all should hear him. He will be in Greensboro on the 28th and will speak at the Friends church at 3 o'clock in the afternoon and at the First Presbyterian church at night. His lecture at night will be on "The Opening of Tibet to the Gospel," it being a narrative of his personal experience.

## DEATH OF W. H. BRANSON.

Verily, in the midst of life we are in death. Only two or three days ago we met Mr. W. H. Branson on the streets of Greensboro, in good health, handsome in the bloom and prime of manhood, vigorous and full of life; we can still hear his voice as he cordially greeted us. Today that fine form lies cold in death, that voice is hushed, and that heart, ever big, loyal and true, is still. Our news columns yesterday told of his fatal burning, yet we dared to express the hope that he would get well.

We had enjoyed a personal acquaintance with him for only a few months; but we knew him to love him. He was our friend. A man with convictions and the manhood to stand by and express them. Frank, positive, honest to a fault. Bold and aggressive to a degree that could be admired by those who did not think with him; he was a true friend to his church and loyal to all her institutions. This fact will tower with his other virtues and ever be a bright and shining monument to his memory.

Good, noble friend, farewell! May the God of men and nations comfort, console and support, in this sad hour of darkest and deepest earthly affliction, the bereft widow and dear little children.

If being a democrat prevents a man from recognizing and commending the merits of a man who happens to belong to another party, then we are mistaken in the definition of the term. Some of the papers are getting after the Telegram and Charlotte Observer for, as it is erroneously put, "making a hero of Superintendent Mebane." Mr. Mebane is a populist, but strange as it may sound to some, he has proven to be a man, and has kept his important office high above the scums of politics. He recognizes his duties to the educational interests of the state as being superior to his duty to his political party; his administration is clean and able. For these things he is to be commended. He refused to go on the stump at the command of the executive committee of his party, putting his office on the high plane of that of supreme court justice. We repeat, if he continues this policy the democratic party would do the handsomest thing to nominate him for a second term. This paper opposed fusion of democrats and populists, too. How can those who favored it object to this proposition?

We notice from an article clipped from the New York World that a rather queer investigation is going on in the public schools of Greater New York. Committees have been appointed to investigate "children's lies." Some of the causes and effects found are amusing but rather too lengthy for reproduction. Among other things it was discovered that girls lie more than boys, and that if a girl gets caught in a lie she usually sticks to it unreasonably. A boy, however, having a large amount of "Old Adam" in his make-up, blames some one else—a girl, if possible—and thus shifts the responsibility. We had always had the opinion that the greatest trouble encountered by the instructor in "teaching the young idea how to shoot" was in teaching the young savage how to have an idea. But it is apparent from the above-noted investigation that the boy's lying period is necessary to the latter consummation, because of the fact that the faculty of imagination is brought into play when a lie is required?

Frank Betzelbach, a New York waiter, took poison on the street and fell dead in a drug store.

As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Instet vigorously on having it if "something else" is offered you. Howard Gardner.

that he has the most hearty congratulations of the Christian world at his almost entire recovery from a dangerous attack of pneumonia. Rudyard Kipling has the genius without the cynicism of Lord Byron, and may his powerful pen be as beneficial to the sad world as the scoffer's was hurtful.

The latest of things monopolistic, we notice from the morning papers, is the formation of a gigantic silver trust with a capital of \$65,000,000. Next thing you know, they'll be cornering the earth.

Rev. E. Edwards, pastor of the English Baptist Church at Minersville, Pa., when suffering with rheumatism, was advised to try Chamberlain's Pain Balm. He says: "A few applications of this liniment proved of great service to me. It subdued the inflammation and relieved the pain. Should any sufferer profit by giving Pain Balm a trial it will please me." For sale by C. E. Holton.

## No Cure—No Pay.

That is the way all druggists sell Grove's Tasteless Chili Tonic for Chills and Malaria. It is simply iron and quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.

Martin Schroeder, of Buffalo, N. Y., was fatally stabbed by an unknown person at San Francisco, Cal.

I have been afflicted with rheumatism for fourteen years and nothing seemed to give any relief. I was able to be around all the time, but constantly suffering. I had tried everything I could hear of and at last was led to try Chamberlain's Pain Balm, which I did, and was immediately relieved and in a short time cured. I am happy to say that it has not since returned.—Josh Edgar, German town, Cal. For sale by C. E. Holton.

Frank Betzelbach, a New York waiter, took poison on the street and fell dead in a drug store.

As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Instet vigorously on having it if "something else" is offered you. Howard Gardner.

Archbishop Hennessy is seriously ill at the Archdiocesan residence, Dubuque, Iowa.

## A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame back or weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by using Electric Bitters. This medicine tones up the whole system, acts as a stimulant to liver and kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at C. E. Holton's drug store.

## Chamberlain's Cough Remedy.

This remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases, over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works; of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease of all dangerous consequences. Sold by C. E. Holton.

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of DeWitt's Little Early Risers, the famous little pills. Howard Gardner.

**WINE OF CARDUI**  
A LITTLE  
DOES MUCH.

Boons, Iowa, Dec. 14.  
No tongue can tell what I have endured  
in the past ten years with my monthly sick-  
ness. While suffering untold agony, a  
friend called and recommended Wine of  
Cardui. I sent for a bottle, and Oh! what  
a relief. After the first dose I began to feel  
better and have had no pain since.  
MRS. GRACIE LAMPHIER.

**Wine of Cardui**  
Wine of Cardui not only cures but it acts AT ONCE. Here is a case  
of ten years' standing, and yet one single dose made the sufferer feel better,  
and stopped the pain. The Wine goes straight to the seat of the trouble.  
It acts directly upon the menstrual and genital organs. Its action is not  
violent, and it does not force a result. It simply gives Nature that little  
assistance that the sufferer's system lacks. A single disorder in the  
female organs spreads many disorders all over the body, and when the  
Wine cures the source, all the other ills vanish as a matter of course. A  
woman can be her own physician and cure herself at home. Local ex-  
aminations are largely things of the  
past—the obnoxious custom is no  
longer necessary. Wine of Cardui  
is the only perfectly safe and sure  
vegetable Wine made to-day for  
the cure of "female troubles".

**THE CRUISER RALEIGH.**  
Secretary Long Asked to Order Her  
to Southport.

Washington, March 24.—The people  
of North Carolina are now anxious to  
see the Raleigh at Southport, and Sec-  
retary Long has been requested to or-  
der the ship there. The citizens wish  
to present her with the remainder of  
the silver service which the state was  
to provide.

The application has been referred to  
Assistant Secretary Allen, and it is  
probable that it will be granted.

Ex-Representative Bowden, of Nor-  
folk, with some of the citizens of that  
place, urged upon Secretary Long to-  
day the propriety of having the alter-  
ations to the Raleigh made at the Nor-  
folk navy yard. A spirit of rivalry  
has sprung up between Norfolk, Va.,  
and Portsmouth, N. H., and strong  
pressure is being brought to bear on  
the navy department from each quar-  
ter to have the Raleigh repaired there.  
After the ship arrives at New York,  
according to the last orders, and when  
the demonstration there is over, it will  
be determined just where she will go.

#### THE STORY EXAGGERATED.

Strange That People Cannot Stick To The Truth.

It seems there are people who are constitutionally opposed to telling the truth. It has been reported that there were "five thousand cases of smallpox in Newport News." That is where the fellow Fentress came from with the supposed disease, and the large number he reported has added to the terror of our more timid population. A citizen of this city wrote to the mayor of Newport News concerning the matter and yesterday received the following reply:

"Mr. ————  
"Greensboro, N. C.  
"Yours of the 20th at hand. We have a few cases of mild smallpox on hand. Disease is under full control and decreasing rapidly and will take but a short time at present rate for it to disappear. Respectfully,  
"A. A. Moss, Mayor."

MRS. HOUSEKEEPER:  
Please permit us to ask you a very pointed question: Have you a Universal Food Chopper? By this we do not mean a meat grinder, but a Chopper, which takes the place of chopping bowl and beater.  
It chews meat, of course, but it does more. You can chop ham, coconut, or bread instead of grating it. You can—but we can't tell it all here. Our booklet gives full information. Free. You will have use for it every day in the year. It is very simple and very cheap. Please call and let us show it to you. Yours truly,

## Shrier's First Offerings.

We take pleasure this season in presenting for your consideration what we consider the finest assortment of Form-Fitting Shoes for men and ladies, misses and children, ever shown in Greensboro.

Our lines for Spring are now complete and only await the prestige of your approval.

Every new idea in quality and finish, ease and comfort, grace of style and excellence of workmanship are embodied in this season's production.

Owing to our central location and the nominal expense required to conduct our business, we are enabled to sell our goods 25 per cent cheaper than any house in Greensboro, quality and make considered.

The question where to buy good and reliable goods at the right price is a very important one. We feel if you call on us, we can answer the question to your entire satisfaction, and make a lasting impression besides.

Do not be deluded by the thought that the assortments in the large cities are greater. True, the quantity is greater, but the assortment is no better, and the price is correspondingly higher, owing to the increased expense.

Kindly call on us at your earliest convenience and allow us to prove to you that these statements are true.
